Re: Special Ordinance Approving Bi-Weekly Curbside Recycling Services Contract Between the City of Fort Wayne and Browning Ferris Industries of Indiana, Inc.

Ladies and Gentlemen:

Enclosed please find a special ordinance approving a proposed contract between Browning Ferris Industries of Indiana, Inc. and the City of Fort Wayne providing for a bi-weekly curbside recycling services.

Collection costs are \$80.65 per ton both from residents and city facilities. Disposal costs are \$20.00 per ton from both sources.

This contract has a term of five (5) years expiring December 31, 1999. It contains a one (1) year option to renew by the City exercisable 180 days before termination. This contract is for city-wide pick-up and includes annexed areas as they become a part of the City.

The contract calls for a collections escalation clause of 80% of the CPI based on the 1992 revised Consumer Price Index for urban wages earners (Cincinnati-Hamilton, Ohio Kentucky) 1982-1984 over the previous 12 months. This consumer index is the consumer index that covers the Fort Wayne area and the regional consumer index is used to more properly reflect costs in the Fort Wayne area.

There is also a service cost adjustment for disposal similar to the cost adjustment in the current contract with Waste Management which provides for disposal costs increases when such increases are caused by regulations applicable to waste disposal

Letter to Members of Common Council

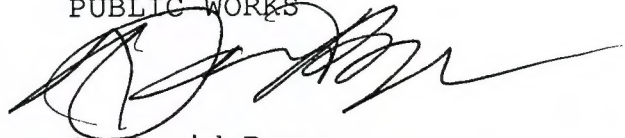

Page 2

in the Allen County area by Allen County Solid Waste District, federal, state or local laws, ordinances or regulations.

It is believed that this contract is an extremely favorable recycling rate and awarding this contract would protect the City in the event recyclable waste is banned from the landfills during the next five (5) years as yard waste was during the previous contract. Cost for disposing of yard waste after the mandatory ban escalated significantly and award of this contract prevents us from being subject to such an escalation. This contract contains a covenant against landfilling uncontaminated recycling waste collected hereunder without consent by the City.

Very truly yours,

CITY OF FORT WAYNE BOARD OF  
PUBLIC WORKS
